CALL FOR STUDENT PRESENTATIONS

On **October 23–24, 2015,** high school, undergraduate, and graduate students will join research scientists from North America and abroad for a celebration of research accomplishments hosted by **Sigma Xi, The Scientific Research Society**. Sigma Xi is the global honor society for science and engineering research.

YOU ARE INVITED to submit an abstract of your research for consideration to be presented as a student poster.

AWARDS PRESENTED for outstanding presentations in: Agriculture, Soil & Natural Resources, Behavioral & Social Sciences, Cell Biology & Biochemistry, Chemistry, Ecology & Evolutionary Biology, Engineering, Environmental Sciences, Geo-Sciences, Math & Computer Science, Physics & Astronomy, and Physiology & Immunology.

Sigma Xi's Annual Meeting & Student Research Conference

October 22–25, 2015 • Kansas City, Missouri, USA

CONFERENCE EVENTS INCLUDE:

- Student research presentations to be evaluated by leading career scientists
- Networking with professional researchers, graduate school recruiters, and potential employers
- Career development workshops

FEATURED AWARD WINNING SPEAKERS:

- **May Berenbaum—**National Medal of Science winner for pioneering studies on insect–plant interactions and for inspiring others about science.
- **David Williams—**Developer of highly accurate models to measure and correct the eye's aberrations.
- **Miles O'Brien—**Emmy Award-winning journalist who focuses on science, technology, and aerospace.
- **Melissa Kenney—**Environmental decision analyst and lead scientists on a team that developed recommendations for indicators that will track climate change and its impacts.
- **Larry Johnson—**A chapter leader for Sigma Xi, The Scientific Research Society.

DEADLINE: Abstracts must be submitted by September 23, 2015, in order to appear in the conference program.

CONFERENCE LOCATION: Sheraton Kansas City Hotel at Crown Center in Kansas City, Missouri.
