# Terms of Agreement

## 1. Authorized Users

- 1.1. Authorized User is defined as staff, faculty, students and visitors to the institution ("Licensee").

## 2. Access rights

- 2.1. Licensor will grant access rights to the Licensed Material (and related material accessible through *American Scientist Online*) to Authorized Users from Licensee accessing *American Scientist Online* through an authorized IP address. This excludes downloads of PDFs, which may be purchased by Authorized Users on the site at a discounted price.
- 2.2. Licensor will provide 24-hour-a-day, 7-day-a-week ("24/7") access, with minimal downtime for maintenance and administration.
- 2.3. Licensor will provide customer service from 8:00 am – 5:00 pm (ET) on Monday - Friday.

## 3. Authentication of users

- 3.1. Licensor will grant access to users authenticated through specified IP addresses.

## 4. Copyright and intellectual property rights

- 4.1. Licensor will warrant that it has rights to provide the content on the site.
- 4.2. Licensee recognizes that the Licensed Material is copyrighted material of Licensor and that this Agreement does not convey any right, title, or interest therein except for the right to use the Licensed Material in accordance with the terms of this Agreement. Licensee agrees that Licensee and the Authorized Users do not have the right to make any use of the Licensed Material in violation of the copyrights or other intellectual property rights of Licensor. Downloading, printing, or saving of materials by Authorized Users for personal, non-commercial use is permissible to the extent consistent with the "fair use" doctrine.

## 5. Authorized use of Licensed Material

- 5.1. Licensor will grant access to the Licensed Material under this Agreement for research, study, educational, or administrative use (i.e., uses associated with normal practices and activities of the Licensee) and for no other purpose. Procedures to request permission for commercial or classroom use are found on the site: <http://www.americanscientist.org/about/page/request-permission-to-copy-for-commercial-use>.
- 5.2. Licensee will not be held responsible for unauthorized use of the Licensed Material provided (i) such use is without the express or implied consent of Licensee; (ii) Licensee promptly notifies Licensor when it becomes aware of any such use; and (iii) Licensee takes all reasonable steps necessary to promptly terminate such activity. Licensee agrees to assist Licensor in any investigation of such unauthorized uses. Licensor shall have the sole right, at its expense, to bring any action on account of such infringements or unauthorized uses. Repeated usage violations by Licensee's users will constitute a breach of this Agreement and grounds for termination of the Licensee's rights to the Licensed Material as provided in this Agreement.

## 6. Functionality, including accessibility

- 6.1. Licensed resources will be Web-accessible, and will not require special or proprietary software to be loaded onto the computer.

## 7. Termination Rights

- 7.1. Licensor may terminate the Agreement with 30 days' notice without cause. The licensee will receive a pro-rated refund.
- 7.2. If Licensor finds that (i) the Licensee has breached the terms of this Agreement (including use of the Licensed Material in violation of the intellectual property rights of Licensor) or (ii) there are repeated usage violations by Licensee's users, the Licensor may terminate the Agreement without notice. In addition to its right to terminate, Licensor shall have the right to any remedies at law or equity for breach of the terms of this Agreement or for violation of the copyright or other intellectual property rights of Licensee.
- 7.3 Licensee may terminate the agreement with 30 days' notice without cause. The licensee will receive a pro-rated refund.
