

CALL FOR STUDENT PRESENTATIONS

On **November 7-8, 2014** undergraduate and graduate students will join research scientists from North America and abroad for a celebration of research accomplishments hosted by **Sigma Xi, The Scientific Research Society**, the global honor society for science and engineering research.

YOU ARE INVITED to submit an abstract of your research for consideration to be presented as a student poster.

AWARDS PRESENTED for outstanding presentations in: Behavioral & Social Sciences, Biochemistry, Cellular & Molecular Biology, Chemistry, Ecology & Evolutionary Biology, Engineering, Environmental Sciences, Geo-Sciences, Math & Computer Science, Physics & Astronomy, and Physiology & Immunology.

CONFERENCE EVENTS INCLUDE:

- Student research presentations to be evaluated by leading career scientists
- Networking with professional researchers, graduate school recruiters and potential employers
- Educational sessions on research, grant writing and science communication

FEATURED AWARD WINNING SPEAKERS:

- ▲ **Rosalind Picard** - Inventor and leading pioneer in the field of affective computing. Director of the MIT Affective Computing Group.
- ▲ **David Rosner** – Columbia University professor and researcher on the social impact of environmental toxins.
- ▲ **Derek Muller** - science communicator, filmmaker and television presenter; best known for the popular science YouTube channel *Veritasium*.
- ▲ **Michael Stevens** - creator and host of *Vsauce*, a popular YouTube channel that generates interest and enthusiasm for learning.
- ▲ **And more...visit www.sigmaxi.org for full speaker list.**

DEADLINE - Abstracts should be submitted by October 15, 2014 in order to appear in the conference program.

CONFERENCE LOCATION – Renaissance Glendale Hotel and Conference Center, Glendale Arizona
