

## CURRICULUM VITAE

Francis C. Dane  
May, 2013

### **Address**

907 CRCH, Arts & Sciences, Jefferson College of Health Sciences, 101 Elm Avenue,  
SE, Roanoke, VA, 24013  
Mobile: (540) 588-9404; Office: (540) 225-4515; Facsimile: (540) 981-9062  
Email: fcdane@jchs.edu

### **Education**

University of Kansas, 1975-1979; M.A. in Psychology 1977; Ph.D. in Social Psychology  
1979.

University of Wisconsin--Milwaukee, 1973-1975; B.S. in Psychology 1974 (cum laude).

University of Wisconsin--Waukesha, 1971-1973; pre-med, no degree.

### **Employment History**

2012-pres: Professor and Chair, Arts & Sciences, and Interim Director, Biomedical  
Sciences, Jefferson College of Health Sciences

2012-pres: Professor, Department of Interprofessionalism, Virginia Tech Carilion School  
of Medicine (secondary appointment)

2010-2012: Professor and Chair, Arts & Sciences, and Director, Health Psychology,  
Jefferson College of Health Sciences

2005-pres: Community Professor, Department of Internal Medicine, Mercer University  
School of Medicine (secondary appointment)

2002-2010; James V. Finkbeiner Endowed Chair of Ethics & Public Policy, College of  
Arts and Behavioral Sciences, Saginaw Valley State University.

2001-2002; Mercer University, William Heard Kilpatrick Professor of Psychology,  
College of Liberal Arts, & Professor of Internal Medicine, Mercer University  
School of Medicine

2000-2001; Mercer University, William Heard Kilpatrick Professor of Psychology,  
College of Liberal Arts, & Adjunct Professor of Internal Medicine, Mercer  
University School of Medicine

1999- 2000; Mercer University, William Heard Kilpatrick Professor & Chair of  
Psychology, College of Liberal Arts, & Adjunct Professor of Internal Medicine,  
Mercer University School of Medicine

1998-1999; Mercer University, Professor & Chair of Psychology, College of Liberal Arts,  
& Adjunct Professor of Internal Medicine, Mercer University School of Medicine

1997-1998; Mercer University, Associate Professor & Chair of Psychology, College of  
Liberal Arts, & Adjunct Associate Research Professor of Internal Medicine,  
Mercer University School of Medicine

1996-1997; Mercer University, Visiting Associate Professor of Internal Medicine, Mercer  
University School of Medicine (sabbatical)

1995-1996; Mercer University, Adjunct Associate Professor of Internal Medicine, Mercer University School of Medicine

1991-1996; Mercer University, Associate Professor and Chair of Psychology

1988-1991; Mercer University, Assistant Professor of Psychology

1986-1988; Clemson University, Associate Professor of Psychology

1983-1986; Clemson University, Assistant Professor of Psychology

1979-1983; SUNY College at Oswego, Assistant Professor, Department of Psychology

1977-1979; University of Kansas, Assistant Instructor, Department of Psychology

1975-1977; University of Kansas, Research Assistant, Social Psychology Graduate Program

1974-1975; University of Wisconsin--Milwaukee, Teaching Assistant, Department of Psychology

### **Current Administration**

2013-pres: Member, Carilion Clinic Institutional Review Board (Committee C)

2012-pres: Member, Managers Forum, JCHS

2012-pres: Interim Program Director, Mathematics & Sciences, JCHS

2011-pres: Member, Research Merit Committee, Carilion Clinic

2011-pres: Member, Emergency Cardiovascular Care Education Committee, American Heart Association

2011-pres: Member, Therapeutic Hypothermia Oversight Committee, Carilion Clinic

2010-pres: Chair, Department of Arts & Sciences, JCHS

2010-pres: Member, College Administration Team, JCHS

### **Courses Taught**

Advanced Experimental Psychology

Advanced Experimental Social Psychology

Advanced Statistics (undergraduate & graduate)

Applied Ethics in Engineering and Computer Technologies

Bioethics (undergraduate and graduate)

Everyday Ethics

Group Dynamics (undergraduate and graduate)

History & Systems of Psychology

Introduction to Criminal Justice

Introduction to Psychology

Law and Human Behavior

Log Linear Modeling (graduate)

Multivariate Statistics (graduate and undergraduate)

Practicum in Public Justice

Professional Ethics (Graduate)

Research Ethics

Research Methods (Graduate & Undergraduate)

Skills in Human Relations

Scientific Inquiry

Social Psychology (undergraduate & graduate)

Statistics (undergraduate and graduate)

**Research Programs**

Medical Simulation Efficacy  
Therapeutic Hypothermia  
Statistical Power

**Grants**

- Uchakin, P. N. (2009). Immune mechanisms of congestive heart failure. American Heart Association, \$132,000 (Statistician)
- Seitz, M., Boehm, D., & Dane, F. C. (January, 2004). Creating a Culture of Ethical Academic Citizenship. SVSU Foundation. \$1500 (Co-PI).
- Bibb County (GA) Board of Education. (2001a). Macon S.E.E.D.S. (Success through Educational Enrichment Delivery Systems) Community Learning Center: After School, Family, and Summer Programming (Hunt, Jones, & Rice Schools). U.S. Department of Education. \$1,456,924 (evaluation director).
- Bibb County (GA) Board of Education. (2001b). Macon S.E.E.D.S. (Success through Educational Enrichment Delivery Systems) Community Learning Center: After School, Family, and Summer Programming (Brookdale, Burdell, Clisby, & Weir Schools). U.S. Department of Education. \$1,635,553 (evaluation director).
- Roche, W. P., & Dane, F. C. (2000). Medical Student Attitude Project (Cynicism). Clinical Research Center, Medical Center of Central Georgia. \$23,720
- Bibb County (GA) Board of Education. (2000). Bibb 21<sup>st</sup> Century Community Learning Center: After School, Family, and Summer Programming. U.S. Department of Education. \$3,322,551 (evaluation director).
- Dane, F. C. (1996). Relationship of ACLS training to timing and outcome of resuscitation. American Heart Association. \$32,808
- Parish, D. C., & Dane, F. C. (1996). In-hospital resuscitation. Clinical Research Center, Mercer University School of Medicine & Medical Center of Central Georgia. \$20,000
- Dane, F. C. (1992). Modeling students' decisions to attend and remain in college. Office of Enrollment Management, Mercer University.
- Parish, D. C., Montgomery, M., Levi, P. G., Brown, V. M., Russell, K., Carpenter, M., & Wynn, L. (1991). Predicting survival of respiratory, cardiac, and cardiopulmonary arrest. MedCen Foundation. (statistician)
- Dane, F. C. (1991). The use of stereotypes in juror decision making. Faculty Research and Development Grant, College of Liberal Arts, Mercer University.
- Dane, F. C. (1990). Jury decision making. Faculty Research and Development Grant, College of Liberal Arts, Mercer University.
- Dane, F. C. (1989). Quantifying burdens of proof. Faculty Research and Development Grant, College of Liberal Arts, Mercer University.
- Parish, D. C., Harper, A. K., Metzger, R. L., & Thompson, M. (1989). The relationship of prenatal care to infant mortality. MedCen Foundation. (statistician)
- Dane, F. C. & Nowaczyk, R. (1985). An evaluation of manuals designed for instructing the lay person in the use of computers. Clemson University Research Grant.

- Dane, F. C. & Koenig, S. (1985). A proposal for a study preliminary to the development of a health care program at Clemson area retirement center. Clemson Downs Ad-Hoc Committee for Health Care Programs.
- Dane, F. C. (1984). The use of volunteers in South Carolina state government: Developing and implementing a data base. Division of Volunteer Services, Office of the Governor.
- Swift, J. N. & Gooding, J. N. (1981). Using timers to extend the waiting period during question/answer sessions in elementary classrooms. National Science Foundation (Statistician).
- Dane, F. C. (1980). The certainty of eyewitnesses and its effect upon mock jurors' verdicts. President's Research Award, SUNY College at Oswego.
- Myers, B. L., Stauffer, L. D. & Dane, F. C. (1979). Pharmacy dispensing fee and drug acquisition cost survey. Texas Department of Human Resources.
- Dane, F. C. (1978). Fellowship, National Institute of Mental Health.
- Dane, F. C. (1977). Using videotape in the courtroom. Society for the Psychological Study of Social Issues Grant-in-Aid.

### **Colloquia**

- Ethical Issues in Stem Cell Research (with D. K. Shomaker & E. Vogelstein). Invited panel presented with "Conversation in Ethics" series to Carilion Clinic, Roanoke, VA, February 7, 2013.
- Ethical Issues in Programming. Invited address to the SVSU Chapter of the Association for Computing Machinery (ACM), Saginaw Valley State University, September 24, 2009.
- Maintaining and Analyzing Longitudinal Data Registries: The Code Pink Project. Invited address to the Department of Mathematics, Saginaw Valley State University, February 28, 2008.
- Ethics of Genetic Testing. Invited address to Exchange Club of Saginaw (MI), December 18, 2007.
- Ethics of Stem Cell Research. Invited address to the Midland (MI) Rotary Club, July 26, 2007.
- Ethical Issues in Statistical Analyses. Invited address to the Mid-Michigan Chapter of the American Statistical Association, April 20, 2006.
- The Death Penalty: Pro and Con. Invited address to Saginaw County (MI) League of Women Voters, February 21, 2005.
- The Ethics of Stem-Cell and Therapeutic Cloning Research, Invited address to PRISM, Saginaw, Michigan, November 10, 2004.
- History of Medical Research Ethics. Science, Engineering, and Technology Seminar. Saginaw Valley State University, University Center, MI, March 10, 2004.
- History of Research Ethics. Grand Rounds, Woodbridge Hospital, Singapore, January 5, 2004
- Just War Theory: Can there be a just war and, if so, how will we know? Invited address to PRISM, Saginaw, Michigan, November 5, 2003

- How Could They Think That Was the Right Thing to Do? Invited address to the Institute for Learning in Retirement, Saginaw Valley State University, University Center, MI, January 12, 2003.
- The Heart and Soul of Materialism, panel discussion for Lawrence Lecture Series, Saginaw Valley State University, University Center, MI, September 19, 2002.
- The Importance of Behavioral Research in Ethics. Saginaw Valley State University, University Center, MI, April 23, 2002.
- Interview, "Research Ethics," Morning Show, WEYI Television, Flint, MI, July 29, 2002.
- Interview, "Corporate Ethics," The Saginaw News, September, 22, 2002.
- Interview, "Serial Killers," Evening News, WNEM Television, Saginaw, MI, October, 2002.
- Medical Student Attitudes at MUSM: Altruism and Cynicism. Medical Education Journal Club, Mercer University School of Medicine, Macon, GA, April 12, 2001. (with W. P. Roche, III)
- In-Hospital Cardiopulmonary Resuscitation or Why is a Social Psychologist Doing Research in a Hospital? Second Friday Colloquium Series, Mercer University, Macon, GA, January, 2000.
- Race and Resuscitation: Two Examples of Research. Berry College, Rome, GA, October, 1997.
- Jury Selection Issues in Family Law Cases. Walter F. George School of Law, Mercer University, Macon, GA, March, 1994.
- Just What Are Stereotypes and What Are They Doing in the Courtroom, Mercer University, Macon, GA, October, 1991.
- Juror Decisions: The impact of judge's instructions. University of Georgia, Athens, GA, February, 1990.
- Issues in jury decision making: Reasonable doubt. Mercer University, Macon, GA, November, 1986.
- The death penalty. St. Andrew's Catholic Church, Clemson, SC, November, 1985.
- The essentials of leadership and motivation. South Carolina 4-H District Debating and Public Speaking Competitions, Aiken, SC, April, 1985.
- Volunteer leadership. National Association of Meal Programs, Greenville, SC, March, 1985.
- Psychological research on jury decision making. Winter Workshop of the South Carolina Junior Academy of Science, Clemson, SC, February, 1985.
- Hypnosis: What it is, and what it isn't. St. Andrew's Catholic Church, Clemson, SC, December, 1984.
- Effective utilization of needs assessment research. Pickens County Youth Association, Pickens, SC, October, 1984.
- Social psychology in the courtroom: Juries and estimating standards of proof. Lehigh University, Bethlehem, PA, March, 1984.
- Death and dying: Dealing with one's own and another's death. St. Andrew's Catholic Church, Clemson, SC, February, 1984.
- Juror's belief in a just world: Motivation or information processing. University of Georgia, Athens, GA, February, 1984.
- Estimating decision criteria in the absence of an objective truth state. Clemson University, Clemson, SC, April, 1983.

Ecosystem use as a justice motive. SUNY--Oswego, Oswego, NY, April, 1982.  
 Quantifying reasonable doubt: Models and applications. Loyola University, Chicago, IL, May, 1981.

Applications of psychological theories to jury selection. St. Bonaventure University, St. Bonaventure, NY, December, 1980.

### **Workshops**

Research Ethics: Saginaw Valley State University (annual IRB workshop)

Leadership Ethics. Presented as part of Gerstacker Fellowship Program, Saginaw Valley State University, October 17-18, University Center, MI.

SVSU Crisis Management Intervention Center Simulation Training Research. Presented in the Michigan State University Fall IRB Educational Conference:

Ethical Dilemmas in Human Subject Research. East Lansing, MI, October 28, 2005.

Research Ethics. Institute of Mental Health, Singapore, January 6-7, 2004. CME credits approved by Government of Singapore.

Predicting onset and survival of cardiopulmonary arrest. *Heart to Heart '94*, sponsored by the Medical Center of Central Georgia. CME credits approved by Georgia Nursing Association and Mercer University School of Medicine. (May, 1994)

### **Memberships in Professional Organizations**

American Association for the Advancement of Science

American Heart Association

American Psychological Association

American Statistical Association

Association for Psychological Science (formerly American Psychological Society);  
 Charter Member

International Society of Hypertension in Blacks

### **Honors**

1999; Who's Who in Medicine and Healthcare  
1995; Sigma Theta Tau International (Theta Tau Chapter) Annual Research Award  
1994; Who's Who in the World  
1993; Who's Who in Science and Engineering  
1992; Who's Who in American Education  
1989; Life Member; The Honor Society of Phi Kappa Phi  
1979; Member; Psi Chi, The National Honor Society in Psychology

### **Thesis Committees** (incomplete listing)

2005-2006; Herzog, K. Undergraduate Honors Thesis: Writing about Traumatic Events: The Effects of Exposure to Sensitive Surveys on Anxiety  
2004-2006; Westphal, A. J., M.A. Thesis: Reuniting Foster Children with Their Families is Not the One Best Way. Administrative Science, Saginaw Valley State University.  
2003-2004; Onwonga, J. W., M.A. Thesis: Factors that influence the quality of care in nursing homes: The physical environment, restraints, bureaucracy and work culture. Leadership & Public Administration, Saginaw Valley State University.  
2003-2004; Westphal, A., M.A. Thesis: Reunification may not be the one best way. Leadership & Public Administration, Saginaw Valley State University.  
2003-2004; Southgate, K., M.A. Thesis: Putting America's children first: Laying the groundwork. Leadership & Public Administration, Saginaw Valley State University.  
2002-2003; Johnson, O. L., M.A. Thesis: Divorce Mediation: An Alternative Dispute Resolution. Leadership & Public Administration, Saginaw Valley State University  
2001-2002; Lee, A. G., Senior Thesis: Feedback and its effects on performance across gender. Psychology, Mercer University.  
2001-2002; Nance, A. J., Senior Thesis: Predicting roommate satisfaction using multiple regression. Psychology, Mercer University.  
2000-2001; Newberry, A., Senior Thesis: Effects of formal features of media on arousal: A test of the form arousal model. Psychology, Mercer University.  
1996-1997; Russell, K., Ph.D. Dissertation: The relationship among structure, technology, autonomy, decision-making, nurse characteristics and the decision to

call a resuscitation code on the patient who needs cardiopulmonary resuscitation.  
Nursing Administration, Medical College of Georgia.

### **Previous Committees & Service**

2012-2013: Research and Scholarship Council, Jefferson College of Health Sciences  
 2010-2013: Member, Academic Policy Committee, Jefferson College of Health Sciences  
 2010-2012: Member, Academic Leadership Council, JCHS  
 2010-2012: Director, Health Psychology Program, Jefferson College of Health Sciences  
 2010-2012: Member, Interprofessional Education (IPE) Course Development Team, JCHS  
 2007-2010: Vice-President, Mid-Michigan Statistical Association  
 2006-2010; Member, Student Conduct Hearing Board, SVSU  
 2006-2008; Editorial Board, *Journal of Empirical Research on Human Ethics Research*  
 2005-2008; Selection Panel, Institute for Student Research & Creativity, SVSU  
 2004-2010; Chair, Institutional Review Board, SVSU  
 2004-2010; Managing Partner, Center for Outcome Research & Evaluation  
 2002-2008; Coordinator, Beutler Forum on Ethics and Practices, SVSU  
 2007-2008; College of Education NCATE Accreditation, SVSU  
 2006-2008; Harvey Randall Wickes Endowed Chair in Business Search Committee, SVSU  
 2006-2006; Arts & Behavioral Sciences Dean Search Committee, SVSU  
 2005-2009; Member, Roosevelt-Ruffin Diversity Award Committee  
 2005-2006; Co-Chair, Academic Integrity Task Force, SVSU  
 2004-2008; Scholarship Task Force, SVSU  
 2004-2005; Qualitative Distinctiveness Programs Subcommittee, SVSU  
 2004-2005; Strategic Planning Task Force, SVSU  
 2004-2005; Masters in Leadership and Public Administration Task Force, SVSU  
 2002-2009; Editorial Board Member, *Cardinalis*  
 2002-2004; Self-Study Subcommittee on Governance, Saginaw Valley State University  
 2001-2003; Chair, Membership Committee, Society for the Psychological Study of Social Issues (Division 9 of the American Psychological Association).  
 2001-2003; Advisory Panel, American Psychological Association Ad Hoc Committee on End-of-Life Issues of the Board for the Advancement of Psychology in the Public Interest (BAPPI)  
 2001-2002; Industrial Engineering Curriculum Committee, Mercer University  
 2001-2002; By-Laws Committee, Mercer University School of Medicine  
 2001-2002; Mercer University Faculty/Staff Mentoring Program  
 2001-2002; Mercer University House of Delegates, College of Liberal Arts Representative  
 2001-2002; Mercer University Ad Hoc Task Force on Math Placement Examinations  
 2001-2002; Mercer University Undergraduate Assessment Working Group  
 2000-2001; Assessment Coordinator, College of Liberal Arts, Mercer University  
 2000-2001; Council Member at Large, Mercer University Women's Caucus  
 1999-2002; Vice-President, Mercer University Chapter, American Association University Professors

1999-2002; Assessment Coordinator, College of Liberal, Arts Mercer University  
1999-2000; Meeting Site Coordinator, Society of Southeastern Social Psychologists  
1999-2000; Mercer University Discrimination and Harassment Prevention Board  
1999-2000; Chair, Mercer University Institutional Review Board for the Protection of Human Research Participants  
1999-2000; Mercer University Representative, PEW Grant on Faculty Work, Association of New American Colleges,
