TO THE  
BOARD OF DIRECTORS

Apryll Stalcup, Chair  
Darren Mason, Member  
Cristina Gouin, Member

The Committee met via Zoom platform on Thursday, October 16, 2025, to review the Sigma Xi Financial Statements and the Auditors' Report for the fiscal year 2025. Joining the Committee on the call were Jamie L. Vernon, Chief Executive Officer, Jasmine Shah, Director of Finance and Administration, Michelle Taber, Sr. Manager of Accounting representing Sigma Xi management, Elizabeth Hamilton, Signing Director, and Carol-Anne Middleton, Senior of the auditing firm of CLA (CliftonLarsonAllen, LLP). Copies of the financial statements and associated documents were reviewed by all participants prior to the conference call.

Elizabeth Hamilton and Carol-Anne Middleton presented highlights of their report and satisfactorily answered questions posed by the committee. Elizabeth Hamilton informed the committee that all significant transactions have been recognized in the financial statements in the proper period; the financial statement disclosures are neutral, consistent, and clear; and they encountered no significant difficulties in dealing with management in performing and completing their audit

In sum, the Auditors reported an unmodified opinion stating that "In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sigma Xi, The Scientific Research Honor Society, Inc. as of June 30, 2025, and June 30, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America."

The Committee on Audit Review unanimously accepted this opinion of the Auditors.

Respectfully submitted,

Apryll Stalcup, Chair  
Committee on Audit Review
