Increasing COVID-19 Vaccination Rates Among Black Residents in Pickens County A Mock Campaign

Three second-year doctoral students in the Health Education and Promotion program at The University of Alabama will present their winning mock campaign from Society for Public Health Education's (SOPHE) Edu-Thon competition. Topics will include previous COVID-19 data, target population assessment, persuasive health communication tactics, and discussion of evidence-based practices.

Thursday, December 2, 2021
Zoom Webinar at 3:00 p.m. Central Time
