Additional comments:

Key to Criteria

Big Picture: How well did the applicant demonstrate an understanding of the big picture/importance of the proposed investigation?

Hypothesis: How well was the hypothesis or research question stated?

Methodology: How well was the methodology described?

Budget: How well were expenses, supplies, and equipment justified?

Appropriateness: How well did the proposal fit within the scope of the GIAR program? Did it conform to ethical standards (if applicable).

Competitiveness: How competitive was this application in comparison to other proposals in this field?
