

Chapter Development Track

#SigmaXimtg

Sigma Xi Annual Meeting & Student Research Conference

Fruits of their Labor – Chapter Program Showcase

Hear from other chapter representatives on ways their chapters have served their members and engaged the public through appealing chapter programming.

Money Doesn't Grow on Trees – Chapter Finances

Explore the process for obtaining and maintaining nonprofit status for your Sigma Xi chapter. Examine the key facets of the chapter treasurer's role, including the Treasurer's Report, making payments for nominees, and helping with chapter fundraising.

Growing a Healthy Chapter – Good Standing and More

Delve into "Good Standing"...what are the six requirements, and what does it mean for a chapter? Become familiar with ways to ease the transition of chapter leadership from year to year with a solid succession plan. Explore the different chapter leader roles and ways that diverse leadership roles can ensure chapter success

Hit the Ground Running – The Ins and Outs of Chapter Management

How can a chapter find qualified people to nominate for membership? Engage current members? Identify and equip new leaders? Explore the answers to these questions and more!

November 14–17, 2019 | Monona Terrace Convention Center | Madison, Wisconsin, USA
